March 11, 2021

Dear parents,

We have been made aware that a member of the school community tested positive for COVID-19.

At this time, there is no evidence there is any risk to other members of our district school community or if any additional steps are required. We will follow Northern Health's guidance. Northern Health will connect directly with any individuals who may have been exposed with further instructions.

If you are contacted by Northern Health, please follow their advice carefully. If you have symptoms, please stay home and follow the guidance from BC Centre for Disease Control if you are sick.

The safety and well-being of our students, families and staff remains our highest priority. Please be reassured that our schools will continue to implement the strict protocols and procedures we have in place so that children can continue to attend school as safely as possible.

Sincerely,

A handwritten signature in black ink that reads "A. Samoil". The signature is fluid and cursive, with a large initial "A" and a long, sweeping tail.

Andrew Samoil
Superintendent of Schools
